

How to Complete This Power of Attorney for Healthcare

Overview

The attached Power of Attorney for Healthcare form is a legal document, developed to meet the legal requirements for Wisconsin. This document provides a way for a person to create a power of attorney for healthcare that will meet the basic requirements for this state.

This Power of Attorney for Healthcare form allows you to appoint another person and alternate persons to make your healthcare decisions if you become unable to make these decisions for yourself. The person you appoint is your healthcare agent. This document gives your healthcare agent authority to make your decisions only when you have been determined incapable by two physicians to make your healthcare decisions. It does not give your healthcare agent any authority to make your financial or other business decisions. In addition, it does not give your healthcare agent authority to make certain decisions about your mental health treatment.

Before completing this Power of Attorney for Healthcare form, take time to read it carefully. **It is also very important that you discuss your views, values, and this document with your healthcare agent!** If you do not closely involve your healthcare agent and you do not make a clear plan together, your views and values may not be fully respected because they will not be understood.

If you want to document your views about future healthcare, but do not want to or cannot use this Power of Attorney for Healthcare form, ask your health organization or attorney for advice about alternatives.

Power of Attorney for Healthcare Document

Notice to the Person Making This Document:

You have the right to make decisions about your healthcare. No healthcare may be given to you over your objection, and necessary healthcare may not be stopped or withheld if you object.

Because your healthcare providers in some cases may not have had the opportunity to establish a long-term relationship with you, they are often unfamiliar with your beliefs and values and the details of your family relationships. This poses a problem if you become physically or mentally unable to make decisions about your healthcare.

In order to avoid this problem, you may sign this legal document to specify a person who you would want to make healthcare decisions for you if you become unable to make those decisions personally. That person is known as your healthcare agent. You should take some time to discuss your thoughts and beliefs about medical treatment with the person or persons you might specify. You may state in this document any types of healthcare that you do or do not desire, and you may limit the authority of your healthcare agent. If your healthcare agent is unaware of your desires with respect to a particular healthcare decision, he or she is required to determine what would be in your best interests in making the decision.

This is an important legal document. It gives your agent broad powers to make healthcare decisions for you. It revokes any prior Power of Attorney for Healthcare that you may have made. If you wish to change your Power of Attorney for Healthcare, you may revoke this document at any time by destroying it, by directing another person to destroy it in your presence, by signing a written and dated statement, or by stating that it is revoked in the presence of two witnesses. If you revoke, you should notify your agent, your healthcare providers and any other person to whom you have given a copy. If your agent is your spouse and your marriage is annulled or you are divorced after signing this document, the designation of your spouse as healthcare agent shall no longer be valid.

You may also use this document to make or refuse to make any anatomical gift upon your death. If you use this document to make or refuse to make an anatomical gift, this document revokes any prior document of gift you may have made. You may revoke or change an anatomical gift that you make in this document by crossing out the anatomical gifts provision in this document.

Do not sign this document unless you clearly understand it.

It is suggested that you keep the original of this document on file with your physician.

Part I – Appointing a Person to Make My Healthcare Decisions When I Can't Make My Own Healthcare Decisions

If I am no longer able to make my own healthcare decisions, this document names the person I choose to make these choices for me. This person will be my healthcare agent. This person will make my healthcare decisions when I am determined to be incapable to make healthcare decisions as provided under state law.

Instructions for Completing This Part:

When selecting someone to be your healthcare agent, pick someone who knows you well, whom you trust, who is willing to respect your views and values, and who is able to make difficult decisions in stressful circumstances. Often family members are good choices, but not always. Make sure that you pick someone who will closely follow what you want and will be a good advocate for you. Whatever you do, take time to discuss this document and your views with the person(s) you pick to be your agent(s).

Your healthcare agent should be at least 18 years or older and should not be one of your healthcare providers or an employee of your healthcare provider unless they are a close relative. Space has been provided for a second and third alternate healthcare agent.

The person I choose as my Healthcare Agent is:

Name: _____ Cell Phone: _____

Day Phone: _____ Evening Phone: _____

Address: _____

City: _____ State: _____ Zip: _____

If this healthcare agent is unable or unwilling to make these choices for me, or if my spouse is designated as my healthcare agent and our marriage is annulled or we are divorced or legally separated, **then my next choice for a Healthcare Agent is:**

Second choice (alternate agent)

Name: _____ Cell Phone: _____

Day Phone: _____ Evening Phone: _____

Address: _____

City: _____ State: _____ Zip: _____

If this alternate healthcare agent is unable or unwilling to make these choices for me, or if my spouse is designated as my healthcare agent and our marriage is annulled or we are divorced or legally separated, **then my next choice for a Healthcare Agent is:**

Third choice (alternate agent)

Name: _____ Cell Phone: _____

Day Phone: _____ Evening Phone: _____

Address: _____

City: _____ State: _____ Zip: _____

Part II – General Authority of the Healthcare Agent

I want my healthcare agent to be able to do the following (Please cross out anything you do not want your healthcare agent to do that is listed below):

- To make choices for me about my medical care or services, like tests, medicine, and surgery. If treatment has already been started, my healthcare agent can keep it going or have it stopped depending upon my stated instructions or my best interests.
- To interpret any instruction I have given in this form or given in other discussions according to my healthcare agent's understanding of my wishes and values.
- To review and release my medical records and personal files as needed for my medical care.
- To arrange for my medical care and treatment in Wisconsin or any other state, as my healthcare agent thinks appropriate.
- To determine which health professionals and organizations provide my medical treatment.

Instructions for Completing These Sections:

Put your initials on the line (eg. DJ) to indicate you have selected a “yes”, “no” or “not applicable” in the next three sections. Draw a line through the statements you do not select (eg. ~~No, my healthcare...~~). If you do not initial any line in a section and make no clear choice, the statute in Wisconsin says your choice is considered to be a “no.” This means if you do not indicate a choice, in Wisconsin only a court may make such a decision and not your healthcare agent.

1. Agent authority to admit me to a nursing home or community-based residential facility for the purpose of long-term care:

_____ Yes, my healthcare agent has authority, if necessary, to admit me to a nursing home or community-based residential facility for a long-term stay, subject to any limits I have set forth in this document.

_____ No, my healthcare agent does not have authority to admit me to a Wisconsin nursing home or a community-based residential facility for a long-term stay. *If I check “no” or leave this section blank, I cannot be admitted to a Wisconsin long-term-care facility without a court order.*

2. Agent authority to order the withholding or withdrawal of feeding tube and IV hydration:

_____ Yes, my healthcare agent has authority to have a feeding tube or IV hydration withheld or withdrawn from me subject to any limits I have set forth in this document.

_____ No, my healthcare agent does not have authority to have a feeding tube or IV hydration withheld or withdrawn from me. *If I check “no,” or leave this section blank, feeding tubes or IV hydration cannot be withheld or withdrawn from me in Wisconsin without a court order.*

3. Agent authority to make decisions if I am pregnant:

_____ Yes, my healthcare agent has authority to make decisions for me if I am pregnant, subject to any limits I have set forth in this document.

_____ No, my healthcare agent does not have authority to make decisions for me if I am pregnant. *If I check “no,” or leave this section blank, healthcare decisions can not be made for me during my pregnancy without a court order.*

_____ **Not Applicable**

Part III – Statement of Desires, Special Provisions, or Limitations

My healthcare agent shall make decisions consistent with my stated desires and is subject to any special instructions or limitations that I may list here. The following are some specific instructions for my healthcare agent and/or physician providing my medical care. If I require treatment in a state that does not recognize this Power of Attorney for Healthcare, or my healthcare agent cannot be contacted, I want the instructions below to be followed based on my common law and constitutional right to direct my own healthcare.

Instructions for Completing This Part:

You are **not required** to provide any written instructions or make any selections in Part III. If you choose **not** to provide any instructions, your healthcare agent will make decisions based on your oral instructions or what is considered your best interest. If you choose **not** to provide any instructions, it is recommended that you draw a line and write “no instructions” across this page.

Stopping Attempts of Life-Prolonging Treatments:

_____ If I reach a point where it is reasonably certain that I will not recover my ability to interact meaningfully with myself, my family, friends, and environment, I want to stop or withhold **all** treatments that might be used to prolong my existence. Treatments I would not want if I were to reach this point include but are not limited to tube feedings, IV hydration, respirator/ventilator, and antibiotics.

Pain and Symptom Control:

Cardiopulmonary Resuscitation (CPR):

My CPR choice listed below may be reconsidered by my healthcare agent in light of my other instructions or new medical information, if I become incapable of making my own decisions. If I do not want CPR attempted, my physician should be made aware of this choice. If I indicate below that I do not want CPR attempted, this choice, in itself, will not stop emergency personnel from attempting CPR in an emergency. Other documents may be needed to control the actions of emergency personnel.

(Initial one of the following statements and draw a line through the statements that you do not want.)

_____ I want CPR attempted unless my physician determines any one of the following:
